

# CYCLONE 50T-W 20"

## FEATURES

- Balanced streamline steel fan blades
- Low noise, large air volume
- Overheat protection for safety
- 90 degrees oscillating feature allows for wider coverage
- Three fan speeds
- Fully wall mountable with strong robust bracket
- Easy installation only 4 holes required- plugs and screws supplied
- High quality copper motor
- Pull cords for operation of fan speeds and oscillation
- Guards and motor are powder coated for long lasting durability

## SPECIFICATION

Fan Diameter	500mm/20inch
Voltage	230V
Phase	Single
RPM (1/2/3)	1100/1250/1400
Air Volume (1/2/3)	95/116/130m <sup>3</sup> /min
Noise (1/2/3)	48/50/55db(A)
Power (1/2/3)	97/106/130W
Product Weight	6.7kg
Boxed Weight	8.1kg
Boxed Dimensions (H x W x L)	600 x 280 x 580mm
